

Standard Stand E-bike Challenge

Standard stand:

- we build the stand for you
 - the stand is 3 metres deep and 3 metres long or more
 - black system walls 100 cm wide and 250 high (see image)
 - carpet, colour of your choice (standard colour is anthracite)
 - black name board strip with company name and stand number in Helvetica font 7.5 cm high, max. 20 characters (white)
 - 1 LED spotlight per 4 m² including power consumption
 - delivery cleaning included
 - 1 m² storage cupboard with lockable door and positioned in a corner.
- Additional costs are charged for each additional square metre and for placement against a straight wall
- **excluding floor space, furniture and power supply for own use.**

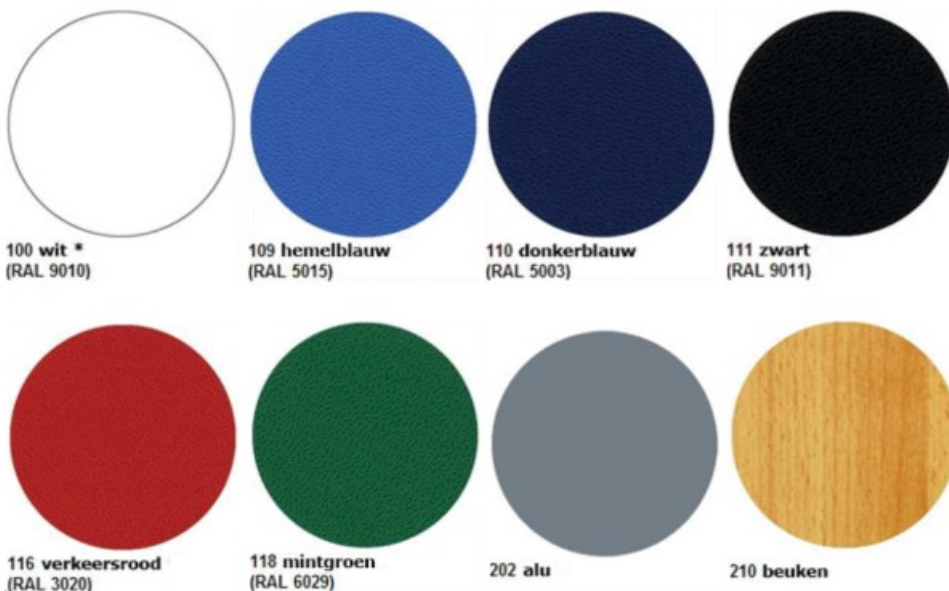

Corner stands are constructed with 2 open sides and minimum 3 x 3 = 9 m²

Dimensions system walls

Extra's for standard stand construction:

- you can order furniture in our webshop
- second name board text, maximum 20 characters (only head and corner stands, stand number excluded), total costs € 63.00
- extra characters name board text on top of the first 20 characters for the first or second name board text
- different wall colours. Optional: white colour for system walls (standard is black).

You may use double sided tape to attach promotional materials. Please don't use thumb tacks and nails to fix things. All sticky tape and other materials must be removed at the end of the fair and the walls left clean.

It is absolutely forbidden to use nails, thumbtacks, etc. on the walls, damage to the walls will be charged.
