If you would like a bigger stand or have other requirements such as a different wall or carpet color, a bigger storage cupboard or a complete seating corner, please do not hesitate to contact us.

Bring your Exhibition stand to life with graphics:

Graphics are more than just decorations; they are powerful tools that enhance the overall impact of your exhibition stand.

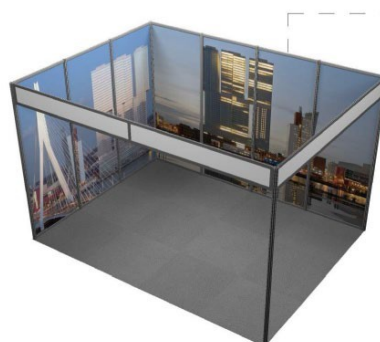

First Impressions Count: . High-quality graphics, created by our stand builders, ensure your exhibition stand stands out from the competition. With sharp images, bold colours and clear messages, your stand will not only attract visitors but also leave a lasting impression.

Examples

1. Fabric on tenon frame with a height of 250

2. Graphics on system panels

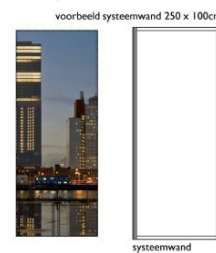

i zichtmaat is 93,8 x 242cm
links en rechts valt 1,1cm in het systeem
onder en boven valt 0,6cm in het systeem

Bestanden aanleveren op de exacte
paneelmaten! Geen bleed of cropmarks.

Rekening houden met beeld en teksten,
die zichtbaar moeten zijn. Ruim binnen de
zichtmaat blijven!

De breedte van de staanders is 5,2cm en
de staanders staan 99cm hart op hart.
